NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintending mustering officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must in all cases precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Assistant General, and one to accompany the accounts of the officer who pays bounty, &c. The flag must and (necessary in which the soldier has served should be given on the back.

Note 2.—An enlistment holds to service. A master-in must in all cases, precede payment of pay, bounty, pension, &c. A re-master-in must, in all cases, be filed in the Assistant General's Office as evidence of master-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the enlisting officer.

Headq'rs 20th N.Y. Vol's, January 14 1862

To all whom it may concern.

Andrew McCampbell, Captain, Co. (K), 7th Regt N.Y. Infantry Volunteers, having applied to me for a Certificate of Disability, on which to base the acceptance of his resignation, I certify, that I have carefully examined said officer, and find him incapable of filling the duties of his position, because of Complete inguinal hernia of the [redacted] side. I further declare my belief that Captain McCampbell's hernia, is not only incompatible with his duties at present, but that it will prove a permanent disability should he continue in the service.

Very respectfully,

To Major G. Goddard U.S.A. Chief Engineer

Respectfully

I under the impression that I am entitled to
Pension I beg to submit the following
reasons. Upon enlisting I spent several
years of my life and all my money in
studying medicine with the intention
of one day being able to practice my profession
I received my diploma from the Jefferson
Medical College of Philadelphia and immediately
upon its receipt I received a commission
as Surgeon in the U.S. Army which capacity I served
for two months when I was offered and
accepted a lieutenancy in the 2d U.S. Cavalry
Since which time I have been wholly
debarred from my profession, and
for that the time and money I have spent in
qualifying myself for the practice of medicine is lost
to me. As to my ability to perform the duties

[illegible] Regiments in the discharge of my duties as an
officer I beg the Privilege of the Surgeons with whom
I served when I left them officers are
the place of assist Surgeon [illegible] their inspection
Regiments But owing to an entirely technical
difficulty I have not been able to enjoy the
Privilege above stated. I am sure I could better serve
the Government, and subserve my own prospects
in after life, by getting back to the line of my
profession. I certify in accordance with Gen order No 23
1st That I have never been absent on sick leave
2 That I am not indebted to the U. S.
3 As to temporary R. & M. to the regt I have a very
small amount of Government property in my
possession for which I am accountable at any moment
4th That I have been paid to the 31st of August 1863
and that there are not any charges against me
I hope the Medical Commissioners will
forward my resignation without delay, and that
the Brig General commanding in
simple justice to my self and the Government
will approve it I pledge my self
to enlist immediately as a non commissioned
officer in the Naval Service of the [illegible]

I have Full & sufficient evidence
of my loyalty & purpose in wishing to
withdraw to resign my commission when
I propose to exchange my commissioned for
for a non commissioned office
I am Sir with great respect
yours &c

Captain

I would respectfully ask to have Francis M. Hill Sergt Company "I" 20th Ky. Vols (now doing Guard duty at Military Prison Louisville Ky) detailed to serve upon the Non-Commissioned Staff of this Regt - I know him to be a good soldier and a gentleman. This Regt is in the work young and energetic - desirous to enter this branch of the service - says he is willing to serve in the capacity asked for until he proves himself worthy something better -
His term of Enlistment is to mean & signifies that his absence would be of little detriment to this Regt - while his services would do much to promote the welfare and interests of this.

Colonel

I would respectfully request that Francis McNeill Drum Major of the 20th Ky Vol Infty be detailed to drill and instruct the Drum Corps of this Regt — It is highly essential that we have some one — for the men cannot learn to read music themselves I know of none better fitted — He is well qualified and desirous to preform the duty. Also this term of Enlistment is so near expired that his absence would be of little detriment to this Regt —

Note 1.—The words will be used for both enlistment and re-enlistment of veterans, &c., &c., in the volunteer service. They will be modified so as to read case—age to correspond with the terms of the enlistment, &c. The Surgeon will fill in the blanks in the Affidavit following, and the Recruiting Officer in the Attestation. The Regimental Commander will fill in the blanks in the Certificate following the Attestation.

Note 2.—An enlistment into the service, &c., &c., in the volunteer service. A recruit between the ages of 18 and 21 years, is required to obtain the consent of parent or guardian to his enlistment, and the latter, if present, will sign the Consent in the space provided for that purpose in the Declaration. The person authorized to administer the oath will certify to the fact of such consent having been given, and will state the relationship of the person giving it to the recruit. A minor cannot be enlisted without the consent of parent or guardian, if either be living and competent to give such consent. The fact that the recruit is a minor, and that the consent has been given, will be stated in the Certificate of Attestation. The Recruiting Officer is responsible that no minor is enlisted without the proper consent, and that no person under the age of 18 years is enlisted at all. In case of minors who have been bounty-jumpers, or deserters from the United States service, the consent of parent or guardian will not be sufficient authority for their enlistment, unless the sanction of the Commanding General of the Army, or of the Department in which the minor is serving, has been obtained.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent for the recruiting officer to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment is complete in all cases, provide payment or pay bounty, &c. A muster-in roll must, in all cases, be filled up as evidence of enlistment. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will complete both enlistment and muster-in. The signature of the recruit is not necessary to the enlistment, but it is necessary to the muster-in roll.
